**PETITIONING THE COURT**

To issue a warrant and incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 06/04/2021, 07/28/2021, 09/10/2021, and 11/02/2021.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

9

**Special Condition #9:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Mr. Estrada is alleged to have violated special condition number 9 by consuming a controlled substance, marijuana, on or about December 28, 2021.

On July 19, 2019, the offender's conditions were reviewed with Mr. Estrada. The offender signed said conditions, acknowledging an understanding of his requirements. Specifically, Mr. Estrada was made aware by the U.S. Probation Officer that he must abstain from the use of illegal controlled substances.

On September 27, 2019, a request for modification of conditions was submitted to the Court to add the above-noted special condition. Your Honor agreed and signed the order, adding special condition number 9 to the offender's supervised release conditions.

**Re: Estrada, Martin****January 6, 2022****Page 2**

On December 28, 2021, Mr. Estrada reported to Merit Resource Services and submitted a urinalysis (UA) sample that returned presumptive positive for marijuana. The UA was sent to Alere Toxicology Services for confirmation. On December 28, 2021, Mr. Estrada called this officer and reported his UA sample was presumptive positive; he denied consuming any controlled substances.

On January 6, 2022, this officer received a drug test report from Alere Toxicology Services showing positive results for the presence of marijuana. After receiving the drug test report, this officer called Mr. Estrada to discuss the positive results. Mr. Estrada adamantly denied consuming any controlled substances.

The U.S. Probation Office respectfully recommends the Court issue a warrant and incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court. Mr. Estrada is scheduled to appear before the Court for a final supervised release revocation hearing on February 16, 2022.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: January 6, 2022
